LINE REQUESTING SECOND REISSUANCE OF SUMMONS

Mr. / Ms. Clerk:

Please reissue the summons for service upon the defendant in the above-referenced adversary proceeding. The plaintiff was unable to serve the original summons issued in this matter due to the process required to research and verify the defendant's current mailing address and service information. The plaintiff obtained the defendant's mailing address or

registered agent service information and requested a reissued summons, but did not receive the reissued summons through the electronic system. A second reissuance of the summons is requested at this time, with the same pretrial date of June 29, 2011 at 01:00 PM.

Dated: April 21, 2011
